**NOTICE**

**Skill Development Program**

**Skill India**  
कौशल भारत - कुशल भारत

Skills and knowledge are the motivating forces of the financial growth and economic development of any country. As India moves progressively towards becoming a global knowledge economy, it must meet the aspirations of youth and aim towards skilling them with the best possible standards. The skill development of the working age population is currently one of the top priorities for the country. This is evident by the progress India has made in recent years in this sector.

In view of this all the First Year students are hereby informed that a Short Term Skill Development Program will be organized in the institute.
