**“World of Basic Science & Humanities”**  
**Online Workshop on Fundamentals of Basic Science**

Learning any subject needs a lot amount of dedication. Basic Science which includes English, Mathematics, Physics and Chemistry plays a major role in understanding and creating genera of Engineers, Doctors, Scientist and many more is a worldwide accepted fact. By ‘staying at home’ during the hard times we can still be in the process of learning. Department of Basic Science and Humanities of Marathwada Institute of Technology (Polytechnic), Aurangabad is organizing Four days **“Online Workshop on Fundamentals of Basic Science”** for the School students to strength the foundation and enhance their basic knowledge in day today life. We encourage all the students to participate in this workshop.

The workshop will be conducted by **Online Webinar** through **Google Meet**. **(The Workshop is FREE)**
